

GUIDING PRINCIPLES

- 1 Plan for multiple reopening scenarios and contingencies to promote the health, safety, and well-being of all students and staff.
- 2 Build COVID-19 Response and Reopening processes aligned with changing scenarios and needs.
- 3 Support students' and families' equitable access to technology essential for remote learning.
- 4 Provide continuing support to students and adults to address their immediate and long term physical, psychological, social, and emotional needs.
- 5 Ensure all schools are Trauma-Aware, understanding that this pandemic impacts students, staff, and the community in many seen and unseen ways, and our responses must encompass those impacts.
- 6 Respond to COVID-19-related changes in human resource management and practices.
- 7 Support ongoing professional learning.
- 8 Remain committed to the [PCR-3 Vision, Mission, Values, and Principles of Learning](#), across venues.
- 9 Anticipate COVID-19-related budget and fiscal management issues.
- 10 Embrace new challenges with agility and resilience.
