DISTRICT STATEMENT

The Platte County R-3 School District approved terms of separation with Dr. Chad Searcey on Thursday, August 29, 2019. The specific terms of this personnel matter are not subject to release under Missouri Statute 610.021. Under the terms of the agreement, the District will compensate the former administrator in the amount of \$275,000. The District thanks Dr. Searcey for his service to the Platte County School District over the past 15 years. Dr. Kim Archer will continue to act as principal of Compass Elementary for the remainder of the 2019-20 school year. The agreement reached by the parties includes provisions under which the parties agree not discuss the negotiations leading up to the agreement. For that reason, neither the Board of Education nor Dr. Searcey will make any further statements about the agreement.
