***Occupational projections are based on 2008 data and cover the years 2008-2018.** Occupations in this report are graded on a combination of average wage, percent growth, and total openings over the 10-year period of employment projections. The occupations shown represent a better than average outlook for the 10-year period.

****Wage data are from 2008.**

^ = Requires a strong foundation in science, technology, engineering and/or mathematics.

Note: Be sure to learn whether your desired occupation has a specific requirement for education or licensing.
